Enliven Elmslie House

Introducing Enliven

Some things make for healthier, happier living, no matter what your age. A sense of community; friends, family, whānau; giving and receiving; making decisions for yourself; and, most of all, practical support when you need it. At Enliven we work alongside you and your family to achieve these things.

Elmslie House is an Enliven community committed to meeting the individual needs of residents and their families.

A New Zealand Ministry of Health certified service.

Introducing Elmslie House

Elmslie House residents receive the best of care from experienced and skilled staff in a light-filled, home-like environment. Clinical and care workers are complemented with activities staff, physiotherapist, dietician and regular volunteer supporters.

Fresh meals, cooked on-site, are enjoyed by residents and guests alike. The beautiful garden surrounds provide plenty of space for entertaining or taking a stroll. Visitors are an important part of Elmslie's community, and are welcome at any time.

Elmslie House is situated near the beautiful Lake Wanaka, close to cafes and restaurants, parks, supermarkets and a pharmacy. The supportive community, combined with the peace of mind that comes with knowing care is at hand day and night, make Elmslie House a great place to live.

Staff at Elmslie will work with you and your family to support you through the process of moving to a care home, and welcome enquiries.
